a message from dr. john counts, president of wnmu

At Western New Mexico University, the students are our top priority, and the athletic department is a key element of campus life.

We are very proud of our student athletes as they balance athletics with academics and community involvement. The growth and learning that takes place among them is inspiring. Their participation in our athletic program goes a long way in preparing them for future success.

We look forward to continued success of all our Mustang athletic programs. Go Mustangs!

Dr. John Counts

a message from scott woodard, director of wnmu athletics

Welcome to Western New Mexico University, and thank you for your support!!

Athletics is an important part of the educational process at Western New Mexico University. It has a unique role to play in an effort to create a well-rounded individual upon graduation.

Our student athletes gain a great deal from competing in their games, matches, and contests and spend countless hours during the year learning about themselves and their teammates. Whether we win or lose, they represent the institution with class and dignity. They also learn about discipline and commitment.

Above all, we are committed to athletes as students first. They are here to use the vehicle provided to gain a quality education that will help them develop as future leaders. We are proud of the success our young people have not only on the athletic venue but in the classroom as well.

Athletics also provides a highly visible way for our students, faculty, staff, alumni, and community to play a part in what is a vital role on all university campuses. The athletic programs here at WNMU embrace the highest ideals associated with personal and community development, sportsmanship, equality, competitiveness, safety, and campus pride.

We are looking forward to continued success this coming season.

Go Mustangs!

Scott Woodard

athletic administration staff

scott woodard, athletic director

They say an army is just as good as its leader. If that's the case, the WNMU coaching staff is in good hands. Scott Woodard enters his 10th year as Athletic Director for WNMU with high hopes. Woodard, a 1985 graduate of WNMU was an all-star shortstop at Western, and was twice named to the all conference team in the tough Rocky Mountain Athletic Conference.

The Carlsbad, New Mexico product received his Bachelor of Science in Biology and his Master of Arts Administration.

While Woodard was a star on the baseball field as a player, his true talent may be in the dugout, as his now-eight-year-old softball team has become the tyrants of the Pacific West Conference, rolling up the last three Pac-West Championship banners. Woodard stepped aside after the 2001 season from coaching to be able to spend more time getting the athletic department back in the role of dominance it held in the early 1990s.

"We have some extremely successful programs here, and we are striving to make all the sports very competitive," says Woodard. "We all (coaches) recruit the same areas, and I can honestly say for the first time since I've been here, we have a staff that is aggressive and will bring in top quality kids and those kids will leave Silver City with a quality degree and a great athletic experience."

athletic hall of fame inductees

Mr. Harold Howard is a 1964 graduate from Rochester, Indiana. This multi-sport athlete participated in basketball, track, and golf.

As a four-year letterwinner in basketball, Howard was voted the team's most valuable player in 1961 and 1962. This led to two honors as an All-Conference selection and one Little All-American District 7 selection. In 1962, Howard tied the fieldhouse record of most points in one game with 43 points. He shared this honor with Brook Jennings. Also in 1962, he also was a member of the first-place winning relay track team.

An active member of the Western New Mexico University Alumni Association Indiana Chapter, Howard is married to his wife, Nancy. Together they had two children, Cheryl and Kevin.

A member of the WNMU athletic programs in the 1960s, Walter Winkowski graduated from WNMU in 1965 with a bachelor's degree and in 1966 with a master's degree in business education.

Winkowski participated four years in a Mustang football jersey and four years in a Mustang baseball uniform. In 1962, he was selected to the All-Frontier Conference Honorable Mention team for his efforts on the football field. He tied for the longest touchdown pass in the nation that year - 95 yards. He also gained over 100 yards in the first half as a running back against Adams State during his senior year.

As a second baseman, catcher, and left fielder in baseball, Winkowski batted .300 all four years he played, hitting .444 his junior year, ranking him 17th in the country that year.

In 1963, Winkowski was honored with the All-Sports Award.

He now resides in Glenshaw, Pennsylvania, with his wife LaVerne and two children, Brittany and Ryan.

season preview

Despite having a good showing in the Mustangs' inaugural season as a member of the Rocky Mountain Athletic Conference (3-5 RMAC, 5-5 overall), the team hopes to move past the .500 mark in the 2007 season. The Mustangs have not been able to break .500 since the 1993 season when they went 7-3.

Regardless, the 2007 Western New Mexico University football team will look to the future rather than looking in the past. With a new head coach, many new assistant coaches, a new offense, a new defense, new faces, and new roles for returners, the 2007 season is the time to build the strong foundation for successful years to come.

First-year head coach Bernie Busken has a good groundwork to make that move above .500. With six starters on offense returning (12 total) and seven starters on defense (13 total), Busken looks to be competitive because of their experience. "We want to put a competitive physical football team on the field that competes on both sides of the ball every play," says Busken. "Many of these individuals have great experience and are consistent players who you can depend on to give their very best."

As the Mustangs new coach, there will undoubtedly be challenges. One challenge will be the 32 upperclassmen newcomers, five signed freshmen, and 30-plus walk-ons. That is a total of 67+ new purple and gold athletes. "How quickly we come together as a team will determine our early success," comments Busken. "We must find our identity quickly because all the teams we play are very well coached." This is where the experience of the 12 offensive and 13 defensive returners will play a huge role. "We are excited in the direction the program is moving especially the character and leadership our older players show."

offense

The 2007 offense is a relatively new unit as there are only 12 returners to the offense; however, those returners are strong and the talented transfers and underclassmen who have come in will help build a foundation.

Rod Windsor
Senior
Wide Receiver
Bessamer, AL

The blocks of the foundation include junior lineman **Ed Johnson** (Austin, TX) and senior offensive linemen **Jon Such** (Torrance, CA) and **Miguel Sandoval** (Tucson, AZ). "These three players give us a foundation to build on," states Busken. "They have excellent blocking up front. We are excited to see what they will do this year." Last season, the offensive line, including Johnson, Such, and Sandoval, helped bring success to wide receiver **Rod Windsor** (Bessamer, AL) by tallying ten touchdowns and an overall team total of 12 rushing touchdowns.

Other returners making an impact on the scoreboard are **Andrew Rodriguez** (El Paso, TX), **Chris Cook** (Tucson, AZ), and **Mike Torres** (Albuquerque, NM). Rodriguez compliments Windsor in the wide receiver position. Only a sophomore this season, Rodriguez averaged 7.9 yards per game last season as a freshman.

Cook, a senior, fills a tight end slot. At 6'4" and 245 pounds, he played in eight of the ten games last season. "Chris can run and block very well," comments Busken.

Torres, a fullback, will play his last season in a purple jersey. "Mike has been outstanding as a player and as a citizen. He has put in a lot of hard work," says Busken.

Fifteen strong newcomers consisting of four offensive linemen, three running backs, two wide receivers, two quarterbacks, two tight ends, and two full backs have caught the eyes of the Mustang coaching staff in the recruiting process. "All of these young men will come in and compete to start on offense and will allow us to have depth and fire power," remarks Busken. "There should be great competition at each position, which should improve our offense greatly."

One of these strong newcomers is **Tramell McGill** (Phoenix, AZ) who played one year at Colorado State University (2005) and red-shirted the year before. As a running back, he helped lead his team in high school to the state championship in 2003 and was named the MVP of the game. He also was named Fiesta Region Player of the Year, First Team All-State, Red Zone Player of the Year, and First Team All-East Valley as a prep.

Stanley Nihipali (Aiea, HI), a transfer from Fresno City College, occupies a roster slot in the quarterback position. As a sophomore and junior in high school, he helped lead his team to two state championship games. Nihipali was a First Team All-State member and was the Most Valuable Player (MVP) of the Hawaii All-Star Game his senior year of high school.

A transfer from Southern Utah University, **Tremaine Cox** (Tucson, AZ) moves closer to home to join the Mustangs. While at Tucson High School, Cox was number two in rushing yards in the city. He was also named the MVP of the Week by KOLD News.

season preview

defense

Busken plans to have great depth on defense this year, especially with the secondary and linebackers. **Christian Serena** (Scottsdale, AZ) returns for his senior year after a very successful 2006 season. Serena was named RMAC Defensive Player of the Year and placed on Don Hansen's All-Southwest Region Second Team and Daktronics All-Southwest Region Second Team. He totaled 60 solo tackles, 43 assist tackles, and four sacks in the team's ten games.

Also on defense is cornerback **Latron Hickson** (Miami, FL). The All-RMAC Second Team member. He also posted big numbers with 22 solo tackles, 14 assist tackles, one sack. Seniors **Casey Bell** (Escondido, CA) and **Cisco Valenzuela** (Tucson, AZ) will strengthen the defense also. They both make the move to defensive end after playing on the offensive line last season.

"I think you will see a much more athletic group out there. They will be extremely quick and physical," says Busken. "Their hard work and preparation for this season has been amazing." **Jon Garza** (Las Cruces, NM) and **Tony Norman** (Richmond, CA) are two individuals that put their time in in the off season. "Their character and discipline will be a big factor this fall," continues Busken. Garza and Norman are both defensive backs.

Nine solid transfers are competing for a starting spot on defense. A defensive lineman putting on the Mustang jersey for the first time in his career is **Eric Camarillo** (Signal Hill, CA), a transfer student from Cerritos College and Fayetteville State University. In high school, Camarillo was All-League, All-City, All-California Interscholastic Federation (CIF), First Team *Press Telegram* Dream Team, and the Mayfair High School Most Valuable Player (MVP).

Joining Camarillo is **Jeremy Ehinger** (Torrance, CA). At 6'3" and 265 pounds, Ehinger comes to WNMU after spending one year at two-time defending NCAA Division II Champions Grand Valley State University and two years at Los Angeles Harbor College (LAHC). While at LAHJC, he earned All-Western Lakes Conference honors as a sophomore and tallied 49 tackles and two quarterback sacks as a freshman. He currently is the record holder at LAHJC for most tackles in one game (15).

Chaz Scott (Chandler, AZ) rounds out the group. The transfer from Oregon State University was the PAC 10 Special Teams Player of the Year in 2003.

"All of these young men are outstanding football players, excellent students, and really like to run and hit," comments Busken. "They are all really physical. Each will make a great contribution and will help us to be very physical."

special teams

The Mustangs are relying on two kickers/punters new to Silver City: **Steve Flores** (Peoria, AZ) and **Mike Whitcher** (Redondo Beach, CA). A multi-sport athlete in high school, Flores, 5'11", 180 pounds, was a four-year varsity soccer player as well as a football player. He was an all-region soccer player as a junior and senior. In football, he was Second Team All-Region his senior year as a kicker. He then joined the Glendale Community College program. While there, he was a Second Team All-WSFL choice in 2005 and 2006. He also was an NJCAA Second Team All-American in 2006. "As a kicker, he has a very powerful leg with great range. Steve will be a great offensive threat for the Mustangs," remarks Busken.

Whitcher, a transfer from Los Angeles Harbor College, fills the punters position. "Mike is an outstanding punter," says Busken. "We hope he will continue the excellent kicking game WNMU had." Last season, former Mustang **Sean Sehnem** was named d11football.com's National Special Teams Player of the Week and was placed on Don Hansen's All-Southwest Region Third Team. Sehnem averaged 43.2 yards each punt and 59.6 yards each kickoff. He finished the season going 15-20 on field goals.

final thoughts

The Mustangs have a tough schedule this season, opening at Division IAA power Northern Arizona University. "It is a very challenging schedule," says Busken, "that you must be ready to play every week. The coaching in the RMAC is excellent. We have to be and WILL BE in great shape both physically and mentally each week. We have great depth and should be very competitive this season."

And that is the game plan. Move forward. Look ahead. Build strong foundations.....foundations that will take the Mustangs over the .500 mark.....and never look back.
