

**SAAC Meeting
September 8, 2008**

- ❖ Meeting began and every athlete contributed to brag and gripe time. There was one major gripe about the security on campus for athlete's cars while they are out of town for games.
- ❖ Victoria talked about SAAC purchasing music for the time before games that would satisfy both fans and athletes.
- ❖ Faculty and Staff Committee reported that they had sent out a mass e-mail announcing the home games for the week.
- ❖ Community Committee reported that they were going to get bracelets from the Susan B Anthony foundation to be sold during the dig for the cure games. They also talked about doing 50/50 raffles.
- ❖ Meet the Mustangs was changed to October 1, 2008.
- ❖ Humane Society Game Day October 18, 2008.
- ❖ Whole group went into depth about the security problem on campus and decided that that we need to write a letter to the President of the University containing:
 - Security cameras
 - More people for 24 hour patrol
 - Have the people on duty patrol campus, not the city
 - More student safety
 - Informing security about the dates cars will be left
 - Designate a parking area for these dates
 - Possibly have city cops help patrol during these dates
- ❖ Informed everyone that each sport needs to have the activity ready that they will be doing at Meet the Mustangs.
- ❖ Talked about working with our small groups at the next meeting.
